...s nce it's just to take care of the cat
Anyway we'll stay at Narukami-kun's place for one night
Especially since Spica is coming too

Then again, it might be a good thing
haha
that it'll be just the two of us for a change
Oh!
That's--
That's not what I meant-
...
That's right, Spice-san! You've got the mood!
You're so annoying--
Really!
Though you're only a junior high school boy.

It--
It's filthy!

ナシ

Either way I can't possibly fathom that someone lives here
There's no place to keep the shoes & the-
Is there a place to keep the umbrellas?

Anyway
If we can just make room for the both of us to sit-

dumbfounded for a while...

Just what kind of life is he leading?
Meow!
Hm?
So you were inside the closet?
Poor thing
Meow
Aww
No matter what I do I can't get in

I want to go next door and clean it up at once!
AT THE VACANT FLAT NEXT DOOR
Don't speak of it in such an unpleasant way Brother!
... to peep through a hole Midgardsorm?
Tsn't it in poor taste
The chance for those two!
We, too shall stealthily help them from the shadows!
That's so uncouth, Brother
Our parents are getting along. As their child shouldn't you be happy?
Well yeah but

Even though this is a small room, how come it takes longer to clean it than our much larger living room?
Phew!
Now there's a little more room

I ingredients for curry?
I didn't notice any of these at all when I was cleaning
Did you buy them?
stares
Well then what are we going to do about dinner?
Zzz
Zzz
I can't get the meat pack n!
Uh?

Making false statements is poor taste...too
Yeees very good! The husband relaxing after coming back from work and the young wife who endeavours to prepare a good meal so that he will be grateful

Aaaahhhh! Fire! Fire!

Hm? This smell

Hey Spike Isn't something burning?

Ah! That's...
a fire extinguisher!
ハシュッ
I thought something like this might happen, so I it's a good thing I brought this fire extinguisher
W-we're saved
The hole is too wide!
Then you shouldn't have made them cook!
消火

Good afternoon! Delivery from the Katsumi-ya's!
Huh?
Don't worry, Spica. Let's eat out
Oops, we haven't quite calmed down
U-um...
crab eggs and harusame salad
egg soup
Garlic and fried rice stir-fried cashew nuts
There must have been a mix up with someone else's address but...
— well we're hungry and we paid for it so let's eat, Spica.

I see
You burnt your hand just now and can't hold the chopsticks, right?
That reminds me Narukami-kun said he also had a job at a Chinese restaurant...
Huh? Spica, aren't you going to eat?

It can't be helped I'll feed you
Here, say "Ahhh"

GREAT EXCITEMENT
Poor taste. I tell you

Ahhhh!
Mayuna-san!
You're an
irregularity!
Loki-kun! We
have a problem!
A major scandal!
I saw it!
Saw
what?
I it's just that—
Sp ce burnt her—
Err— Am I
interrupting
something?

Narugami-kun just before his work...
...he was robbing the ramen restaurant
I wonder if it's because I didn't treat him to curry bread today...?
All right, Akiyuna. I'll go and take a look.
!!!
It's true. I'm telling you!
What are you talking about? Here, Spice, say "Ahhh"
Because a gunshot resounded!
パーンと!!

Spica, I'll be right back
Sorry Spica-chan!
パタン
……

Meow!

Meow!
Meow!
Meow!
Meow!

Let's help arrest Narugami-san and finish Loki-sama's task as quickly as possible Brother!
If it's to do that I'll do anything to help!

Nghhh! What is it, now? Stupid Narugami-san!
Why did he have to make a robbery at such an important time?
